Cosy Lunch

## LUNCH MENU

The concept of  
**COSMO**

// SHARE THE MOMENT. SHARE THE TASTE.  
The Cosmo is the perfect place to share delightful moments with those you feel related to.

Our concept of "sharing" perfectly emphasises this aspect:

Can there be anything nicer than to share good food and embark on a culinary journey together?

We serve our sharing-meals in a manner that enables everybody sitting at the table to try and eat them.
